## Delta Dental PPO (Point-of-Service)

---

Delta Dental's national preferred provider organization program that can reduce your out-of-pocket expenses if you receive care from one of Delta Dental's PPO Dentists. This program has back-up coverage through the Delta Dental Premier® network when treatment is received from a non-PPO Dentist.

## Delta Dental Premier

---

Delta Dental's national fee-for-service dental benefits program that covers you when you go to a non-PPO Dentist.

## Dentist

---

A person licensed to practice dentistry in the state or country in which dental services are rendered.

- ◆ **Delta Dental PPO Dentist (PPO Dentist)** or Participating Dentist – a Dentist who has signed an agreement with the Delta Dental Plan in his or her state to participate in Delta Dental PPO. PPO Dentists agree

to accept Delta Dental's fee determination as payment in full for Covered Services.

- ◆ **Delta Dental Premier Dentist (Premier Dentist)** or Participating Dentist – a Dentist who has signed an agreement with the Delta Dental Plan in his or her state to participate in Delta Dental Premier. Delta Dental Premier Dentists agree to accept Delta Dental's fee determination as payment in full for Covered Services.

Wherever a term of this Certificate differs from your state Delta Dental and its agreement with a Participating Dentist, the agreement in that state with that Dentist will be controlling.

- ◆ **Nonparticipating Dentist** – a Dentist who has not signed an agreement with any Delta Dental Plan to participate in Delta Dental PPO or Delta Dental Premier.
- ◆ **Out-of-Country Dentist** – A Dentist whose office is located outside of the United States and its territories. Out-of-Country Dentists are not eligible to sign participating agreements with Delta Dental.

## Eligible Dependent

---

Eligible dependents shall include children who meet the eligibility requirements as defined by Michigan State University.

## Eligible Person

---

Any Subscriber or Eligible Dependent under the Contract.

## Maximum Approved Fee

---

A system used by Delta Dental to determine the approved fee for a given procedure for a given Delta Dental Premier Dentist. A fee meets Maximum Approved Fee requirements if it is the lowest of:

- ◆ The Submitted Amount.
- ◆ The lowest fee regularly charged, offered, or received by an individual Dentist for a dental service, irrespective of the Dentist's contractual agreement with another dental benefits organization.
- ◆ The maximum fee that the local Delta Dental Plan approves for a given procedure in a given region and/or specialty, under normal circumstances.

Delta Dental may also approve a fee under unusual circumstances.

Participating Dentists are not allowed to charge Delta Dental patients more than the Maximum Approved Fee for a Covered Service. In all cases, Delta Dental will make the final determination regarding the Maximum Approved Fee for a Covered Service.

---

## Maximum Payment

The maximum dollar amount Delta Dental will pay in any benefit year or lifetime for covered dental services. (See the Summary of Dental Plan Benefits.)

---

## Nonparticipating Dentist Fee

The maximum fee that Delta Dental will pay per procedure for services rendered by a Nonparticipating Dentist.

---

## Out-of-Country Dentist Fee

The maximum fee that Delta Dental will pay per procedure for services rendered by an Out-of-Country Dentist.

---

## Plan

The arrangement for the provision of dental benefits to eligible people established by the contract between Delta Dental and your employer or organization.

---

## Post-Service Claims

Claims for benefits that are not conditioned on your seeking advance approval, certification, or authorization

to receive the full amount of any covered benefit. In other words, Post-Service Claims arise when you receive the dental service or treatment before you file a claim for the benefit payment.

---

## PPO Dentist Schedule

The maximum amount allowed per procedure for services rendered by a PPO Dentist as determined by that Dentist's local Delta Dental Plan.

---

## Predetermination

An estimate of the costs of Covered Services to be provided. A Dentist may submit his or her treatment plan to Delta Dental before providing services. Delta Dental

reviews the treatment plan and advises you and your Dentist of what services are covered by your Plan and what Delta Dental's payments may be. Delta Dental's payment for predetermined services depends on continued eligibility and the annual or lifetime Maximum Payments available under your Plan. You are not required to seek a Predetermination. You will receive the same benefits under your Plan whether or not a Predetermination is requested. Predetermination is merely a convenience so that you will know before the dental service is provided how much, if any, of the cost of that service will not be covered under your Plan. Since you may be responsible for any cost not covered under your Plan, this is likely to be useful information for you when deciding whether to receive treatment.

---

## Processing Policies

Delta Dental's policies and guidelines used for Predetermination and payment of claims. The Processing Policies may be amended from time to time.

---

## Submitted Amount or Submitted Fee

The amount a Dentist bills to Delta Dental for a specific treatment.

---

## Subscriber

You, when your employer or organization notifies Delta Dental that you are eligible to receive dental benefits under your employer's or organization's Plan.

---

## Summary of Dental Plan Benefits

A description of the specific provisions of your group dental Plan. The Summary of Dental Plan Benefits is, and should be read as, a part of this Dental Care Certificate.

---

## Urgent Care Claims

Those potentially life-threatening claims as defined in the U.S. Department of Labor Regulations at 29 CFR 2560.503-1(M)(1)(I). Any such claims that may arise under this dental coverage are not considered to be Pre-Service Claims and are not subject to any Predetermination requirements.

---

## III. Selecting a Dentist

---

You may choose any Dentist. Your out-of-pocket costs are likely to be less if you go to a Delta Dental PPO Dentist. PPO Dentists agree to accept payment according to the PPO Dentist Schedule, and, in most cases, this results in a reduction of their fees. Delta Dental may also pay a higher percentage for Covered Services if you go to a PPO Dentist.

If the Dentist you select is not a PPO Dentist, you will have back-up coverage through Delta Dental Premier. Again, your out-of-pocket expenses will vary depending on the participating status of the Dentist. Your coverage levels may be slightly lower, but you can still save money. In this case, there are two options:

- ◆ If you go to a non-PPO Dentist who participates in Delta Dental Premier, the fee reduction is not the same as with the PPO Dentists. However, Premier Dentists agree to accept Delta Dental's Maximum Approved Fee as payment in full for Covered Services.
- ◆ If you choose a Dentist who does not participate in either program, you will be responsible for any difference between Delta Dental's allowed fee and the Dentist's Submitted Fee, in addition to any Copayment.

To verify that a Dentist is a Participating Dentist, you can use Delta Dental's online Dentist Directory at [www.deltadentalmi.com](http://www.deltadentalmi.com) or call (800) 524-0149.

## IV. Accessing Your Benefits

---

To use your Plan, follow these steps:

1. Please read this Certificate and the Summary of Dental Plan Benefits carefully so you are familiar with the benefits, payment mechanisms, and provisions of your Plan.
2. Make an appointment with your Dentist and tell him or her that you have dental benefits coverage with Delta Dental. If your Dentist is not familiar with your Plan or has questions about the Plan, have him or her contact Delta Dental by (a) writing Delta Dental, Attention: Customer Service, P.O. Box 9089, Farmington Hills, Michigan, 48333-9089, or (b) calling the toll-free number, (800) 524-0149.
3. After you receive your dental treatment, you or the dental office staff will file a claim form, completing the information portion with:
  - a. The Subscriber's full name and address;
  - b. The Subscriber's Member ID number;
  - c. The name and date of birth of the person receiving dental care;
  - d. The group's name and number.

Claims and completed information requests should be mailed to:

**Delta Dental  
P.O. Box 9085**

**Farmington Hills, Michigan 48333-9085**

Delta Dental recommends Predetermination before your Dentist provides any services where the total charges will exceed \$200. Predetermination is not a prerequisite to payment, but it allows claims to be processed more efficiently and allows you to know what services will be covered before your Dentist provides them. You and your Dentist should review your Predetermination Notice before treatment. Once treatment is complete, the dental office will enter the dates of service on the Predetermination Notice and submit it to Delta Dental for payment.

Because the amount of your benefits is not conditioned on a Predetermination decision by Delta Dental, all claims under this Plan are Post-Service Claims. Once a claim is filed, Delta Dental will decide it within 30 days of receiving it. All claims for

benefits must be filed within 12 months of the date the services were completed. If there is not enough information to decide your claim, Delta Dental will notify you or your Dentist within 30 days. The notice will (a) describe the information needed, (b) explain why it is needed, (c) request an extension of time in which to decide the claim, and (d) inform you or your Dentist that the information must be received within 45 days or your claim will be denied. You will receive a copy of any notice that is sent to your Dentist. Once Delta Dental receives the requested information, it will have 15 days to decide your claim. If you or your Dentist fails to supply the requested information, Delta Dental will have no choice but to deny your claim. Once Delta Dental decides your claim, it will notify you within five days.

If you have been approved for a course of treatment and that course of treatment is reduced or terminated before it has been completed, or if you wish to extend the course of treatment beyond what was agreed upon, you may file a Concurrent Care Claim seeking to restore the remainder of the treatment regimen or extend the course of treatment. All Concurrent Care Claims will be decided in sufficient time so that, if your claim is denied (in whole or in part), you can seek a review of that decision before the course of treatment is scheduled to terminate.

You may also appoint an authorized representative to deal with the Plan on your behalf with respect to any benefit claim you file or any review of a denied claim you wish to pursue (see the Claims Appeal Procedure section). You should contact your Human Resources department, call Delta Dental's Customer Service department, toll-free, at (800) 524-0149, or write them at P.O. Box 9089, Farmington Hills, Michigan, 48333-9089, to request a form to fill out designating the person you wish to appoint as your representative. While in some circumstances your Dentist may be treated as your authorized representative, generally only the person you have authorized on the last dated form filed with Delta Dental will be recognized. Once you have appointed an authorized representative, Delta Dental will communicate directly with your representative and will not inform you of the status of

your claim. You will have to get that information from your representative. If you have not designated a representative, Delta Dental will communicate with you directly.

Questions regarding your plan or coverage should be directed to your Human Resources department or call Delta Dental's Customer Service department, toll-free, at (800) 524-0149. You may also write to Delta Dental's Customer Service department, P.O. Box 9089, Farmington Hills, Michigan, 48333-9089. When writing to Delta Dental, please include your name, the group's name and number, the Subscriber's Member ID number, and your daytime telephone number.

## VIII. Coordination of Benefits

---

Coordination of Benefits (COB) is used to pay health care expenses when you are covered by more than one plan. Delta Dental follows rules established by Michigan law to decide which plan pays first and how much the other plan must pay. The objective of coordination of benefits is to make sure the combined payments of the plans are no more than your actual bills.

When you or your family members are covered by more than one plan, Delta Dental follows the Michigan coordination of benefit rules to determine which plan is primary and which is secondary. You must submit your bills to the primary plan first. The primary plan must pay its full benefits as if you had no other coverage. If the primary plan denies your claim or does not pay the full bill, you may then submit the remainder of the bill to the secondary plan.

Delta Dental pays for health care only when you follow its rules and procedures. If these rules conflict with those of another plan, it may be impossible to receive benefits from both plans, and you will be forced to choose which plan to use.

### Plans That Do Not Coordinate

Delta Dental will pay benefits without regard to benefits paid by the following kinds of coverage:

- ◆ Individual (not group) policies or contracts

- ◆ Medicaid
- ◆ Group hospital indemnity plans that pay less than \$100 per day
- ◆ School accident coverage
- ◆ Some supplemental sickness and accident policies

## How Delta Dental Pays as Primary Plan

When Delta Dental is primary, it will pay the full benefit allowed by your contract as if you had no other coverage.

## How Delta Dental Pays as Secondary Plan

When Delta Dental is secondary, its payments will be based on the amount remaining after the primary plan has paid. Delta Dental will not pay more than that amount, and it will not pay more than it would have paid as primary.

Delta Dental will pay only for health care expenses that are covered by Delta Dental.

Delta Dental will pay only if you have followed all of the procedural requirements.

Delta Dental will pay no more than the “allowable expenses” for the health care involved. If the allowable expenses are lower than the primary plan’s, Delta Dental will use the primary plan’s allowable expenses. This may be less than the actual bill.

## Which Plan is Primary?

To decide which plan is primary, Delta Dental will consider both the coordination provisions of the other plan and which member of your family is involved in a claim. The primary plan will be determined by the first of the following rules that applies:

### 1. Non-coordinating Plan

If you have another group plan that does not coordinate benefits, it will always be primary.

### 2. Employee

The plan that covers you as an employee (neither laid off nor retired) is always primary.

### 3. Children (Parents Divorced or Separated)

If a court decree makes one parent responsible for health care expenses, that parent’s plan is primary. If a court decree gives joint custody and does not mention health care, Delta Dental follows the birthday rule.

If neither of those rules applies, the order will be determined in accordance with the Michigan Office of Financial and Insurance Services rule on Coordination of Benefits.

### 4. Children and the Birthday Rule

When your Children’s health care expenses are involved, Delta Dental follows the “birthday rule.” Under this rule, the plan of the parent with the first birthday in a calendar year is always primary for the Children. If your birthday is in January and your spouse’s birthday is in March, your plan will be primary for all of your Children. However, if your spouse’s plan has some other coordination rule (for example, a “gender rule” that says the father’s plan is always primary), Delta Dental will follow the rules of that plan.

### 5. Other Situations

For all other situations not described above, the order of benefits will be determined in accordance with the Michigan Office of Financial and Insurance Services rule on Coordination of Benefits.

## Coordination Disputes

If you believe that Delta Dental has not paid a claim properly, you should attempt to resolve the problem by contacting Delta Dental's Customer Service Department, P.O. Box 9089, Farmington Hills, Michigan, 48333-9089. When writing to Delta Dental, please include your name, your group's name and number, the Subscriber's Member ID number, and your daytime telephone number.

---

## IX. Claims Appeal Procedure

---

Delta Dental will notify you or your authorized representative if you receive an adverse benefit determination after your claim is filed. An adverse benefit determination is any denial, reduction, or termination of the benefit for which you filed a claim, or a failure to provide or to make payment (in whole or in part) of the benefit you sought. This includes any such determination based on eligibility, application of any utilization review criteria, or a determination that the item or service for which benefits are otherwise provided was experimental or investigational or was not medically necessary or appropriate. If Delta Dental informs you that the Plan will pay the benefit you sought but will not pay the total amount of expenses incurred, and you must make a Copayment to satisfy the balance, you may also treat that as an adverse benefit determination.

If you receive notice of an adverse benefit determination, and if you think that Delta Dental incorrectly denied all or part of your claim, you can take the following steps:

First, you or your Dentist should contact Delta Dental's Customer Service department at their toll-free number, (800) 524-0149, and ask them to check the claim to make sure it was processed correctly. You may also mail your inquiry to the Customer Service department at P.O. Box 9089, Farmington Hills, Michigan, 48333-9089. When writing, please enclose a copy of your Explanation of Benefits and describe the problem. Be sure to include your name, your telephone number, the date, and any information you

would like considered about your claim. This inquiry is not required and should not be considered a formal request for review of a denied claim. Delta Dental provides this opportunity for you to describe problems and submit information that might indicate that your claim was improperly denied and allow Delta Dental to correct this error quickly.

## Formal Claims Appeal Procedure

Whether or not you have asked Delta Dental informally, as described above, to recheck its initial determination, you can submit your claim to a formal review through the Claims Appeal Procedure described here. To request a formal appeal of your claim, you must send your request in writing to:

**Dental Director  
Delta Dental  
P.O. Box 30416  
Lansing, Michigan 48909-7916**

You must include your name and address, the Subscriber's Member ID number, the reason you believe your claim was wrongly denied, and any other information you believe supports your claim, and indicate in your letter that you are requesting a formal appeal of your claim. You also have the right to review the Plan and any documents related to it. If you would like a record of your request and proof that it was received by Delta Dental, you should mail it certified mail, return receipt requested.

You or your authorized representative should seek a review as soon as possible, but you must file your appeal within 180 days of the date on which you receive your notice of the adverse benefit determination you are asking Delta Dental to review. If you are appealing an adverse determination of a Concurrent Care Claim, you will have to do so as soon as possible so that you may receive a decision on review before the course of treatment you are seeking to extend terminates.

The Dental Director or any other person(s) reviewing your claim will not be the same as, nor will they be subordinate to, the person(s) who initially decided your claim. The Dental Director will grant no deference to the prior decision about your claim. Instead, he will assess the information, including any additional information

that you have provided, as if he were deciding the claim for the first time.

The Dental Director will make his decision within 30 days of receiving your request for the review of Pre-Service Claims and within 60 days for Post-Service Claims. If your claim is denied on review (in whole or in part), you will be notified in writing. The notice of any adverse determination by the Dental Director will (a) inform you of the specific reason(s) for the denial, (b) list the pertinent Plan provision(s) on which the denial is based, (c) contain a description of any additional information or material that is needed to decide the claim and an explanation of why such information is needed, (d) reference any internal rule, guideline, or protocol that was relied on in making the decision on review and inform you that a copy can be obtained upon request at no charge, (e) contain a statement that you are entitled to receive, upon request and at no cost, reasonable access to and copies of the documents, records, and other information relevant to the Dental Director's decision to deny your claim (in whole or in part), and (f) contain a statement that you may seek to have your claim paid by bringing a civil action in court if it is denied again on appeal.

If the Dental Director's adverse determination is based on an assessment of medical or dental judgment or necessity, the notice of his adverse determination will explain the scientific or clinical judgment on which the determination was based or include a statement that a copy of the basis for that judgment can be obtained upon request at no charge. If the Dental Director consulted medical or dental experts in the appropriate specialty, the notice will include the name(s) of those expert(s).

If your claim is denied in whole or in part after you have completed this required Claims Appeal Procedure, or Delta Dental fails to comply with any of the deadlines contained therein, you have the right to seek to have your claim paid by filing a civil action in court. However, you will not be able to do so unless you have completed the review described above. If you wish to file your claim in court, you must do so within one year of the date on which you receive notice of the final denial of your claim.

---

## X. Termination of Coverage

---

Your Delta Dental coverage may be automatically terminated:

- ◆ When your employer or organization advises Delta Dental to terminate your coverage.
- ◆ On the first day of the month for which your employer or organization has failed to pay Delta Dental.
- ◆ For any other reason stated in the Plan.

Delta Dental will not continue eligibility for any person covered under this program beyond the eligibility termination date requested by your employer or organization. A person whose eligibility is terminated may not continue group coverage under this Contract, except as required by the continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) or comparable, non-preempted state law.

---

## XI. Continuation of Coverage

---

If your employer or organization is required to comply with provisions under COBRA and the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and your coverage would otherwise end, you and/or your covered Eligible Dependents have the right under certain circumstances to continue coverage in the medical and dental plans sponsored by your employer or organization, at your expense, beyond the time coverage would normally end.

### When is Plan Continuation Coverage Available?

Continuation coverage is available if your coverage or a covered Eligible Dependent's coverage would otherwise end because:

1. Your employment ends for any reason other than your gross misconduct;
2. Your hours of work are reduced so that you are no longer a full-time employee;

3. You are divorced or legally separated;
4. You die;
5. Your Child is no longer eligible to be a covered Eligible Dependent (for example, because he or she turns 19);
6. You become enrolled in Medicare (if applicable); or
7. You are called to active duty in the armed forces of the United States.

If you believe you are entitled to continuation coverage, you should contact your employer or organization to receive the appropriate documentation required under the Employee Retirement Income Security Act of 1974 (ERISA).

---

## **XII. General Conditions**

---

### **Change of Status**

---

You must notify Delta Dental, through your employer or organization, of any event that changes the status of an Eligible Dependent. Events that can affect the status of an Eligible Dependent include, but are not limited to, marriage, birth, death, divorce, and entrance into military service.

### **Assignment**

---

Services and/or benefit payments to eligible people are for the personal benefit of those people and cannot be transferred or assigned, other than to the extent necessary to allow direct payments to Participating Dentists.

### **Subrogation and Right of Reimbursement**

---

This provision applies when Delta Dental pays benefits for personal injuries and you have a right to recover damages from another.

### **Subrogation**

---

If Delta Dental pays benefits under this Certificate and you have a right to recover damages from another, Delta Dental is subrogated to that right. You or your legal representative must do whatever is necessary to enable

Delta Dental to exercise its rights and do nothing to prejudice them.

To the extent that the Plan provides or pays benefits for Covered Services, Delta Dental is subrogated to any right you or your Eligible Dependent may have to recover from another, his or her insurer, or under his or her “Medical Payments” coverage or any “Uninsured Motorist,” “Underinsured Motorist,” or other similar coverage provisions.

### **Reimbursement**

---

If you or your Eligible Dependent recovers damages from any party or through any coverage named above, you must reimburse Delta Dental from that recovery to the extent of payments made under the Plan.

### **Obligation to Assist in the Plan or Delta Dental’s Reimbursement Activities**

---

If you are involved in an automobile accident or require Covered Services that may entitle you to recover from a third party, and the Plan or Delta Dental advances payment to prevent any financial hardship to you or your family, you and your Eligible Dependents have an obligation to help the Plan and/or Delta Dental obtain reimbursement for the amount of the payments advanced for which another source was also responsible for making payment. As part of this obligation, you and your covered Eligible Dependents are required to provide the Plan and/or Delta Dental with any information concerning any other applicable insurance coverage that may be available (including, but not limited to, automobile, home, and other liability insurance coverage, and coverage under another group health plan), and the identity of any other person or entity and his or her insurers (if known), that may be obligated to provide payments or benefits on account of the same Covered Services for which the Plan made payments.

Eligible people are required to (a) cooperate fully in the Plan’s and/or Delta Dental’s exercise of their right to subrogation and reimbursement, (b) not do anything to prejudice those rights (such as settling a claim against another party without notifying the Plan or Delta Dental, or not including the Plan or Delta Dental as a co-payee

of any settlement amount), (c) sign any document deemed by Delta Dental or the Plan Administrator to be relevant in protecting the Plan's and Delta Dental's subrogation and reimbursement rights, and (d) provide relevant information when requested.

The term "information" here includes any documents, insurance policies, and police or other investigative reports, as well as any other facts that may reasonably be requested to help the Plan and/or Delta Dental enforce their rights. Failure by an Eligible Person to cooperate with the Plan or Delta Dental in the exercise of these rights may result, at the discretion of Delta Dental or the Plan Administrator, in a reduction of future benefit payments available to that person under the Plan of an amount up to the aggregate amount paid by the Plan or Delta Dental that was subject to the Plan's or Delta Dental's equitable lien, but for which the Plan or Delta Dental was not reimbursed.

---

## Obtaining and Releasing Information

While you are covered by Delta Dental, you agree to provide Delta Dental with any information it needs to process your claims and administer your benefits. This includes allowing Delta Dental to have access to your dental records.

---

## Dentist-Patient Relationship

Eligible people are free to choose any Dentist. Each Dentist maintains the dentist-patient relationship with the patient and is solely responsible to the patient for dental advice and treatment and any resulting liability.

---

## Loss of Eligibility During Treatment

If an Eligible Person loses eligibility while receiving dental treatment, only Covered Services received while that person was covered under the Plan will be payable.

Certain services begun before the loss of eligibility may be covered if they are completed within a 60-day period measured from the date of termination. In those cases, Delta Dental evaluates those services in progress to determine what portion may be paid by Delta Dental. The difference between Delta Dental's payment and the total fee for those services is your responsibility.

---

## Late Claims Submission

Delta Dental will make no payment for services if a claim for those services has not been received by Delta Dental within one year following the date the services were completed.

---

## Change of Certificate or Contract

No agent has the authority to change any provisions in this Certificate or the provisions of the contract on which it is based. No changes to this Certificate or the underlying contract are valid unless Delta Dental approves them in writing.

---

## Actions

No action on a legal claim arising out of or related to this Certificate will be brought until 30 days after notice of the legal claim has been given to Delta Dental. In addition, no action can be brought more than three years after the legal claim first arose. Any person seeking to do so will be deemed to have waived his or her right to bring suit on such legal claim.

---

## Governing Law

The group contract and/or Certificate will be governed by and interpreted under the laws of the state of Michigan.

---

## Right of Recovery Due to Fraud

If Delta Dental pays for dental services that were sought or received under fraudulent, false, or misleading pretenses or circumstances, pays a claim that contains false or misrepresented information, or pays a claim that is determined to be fraudulent due to the acts of the Subscriber and/or Eligible Dependent, it may recover that payment from the Subscriber and/or Eligible Dependent. Subscriber and/or Eligible Dependent authorizes Delta Dental to recover any payment determined to be based on false, fraudulent, misleading, or misrepresented information by deducting that amount from any payments properly due to the Subscriber and/or Eligible Dependent. Delta Dental will provide an explanation of the payment being recovered at the time the deduction is made.

## Legally Mandated Benefits

---

If any applicable law requires broader coverage or more favorable treatment for the Subscriber or an Eligible Dependent than is provided by this Certificate, that law shall control over the language of this Certificate.

Any person who, with intent to defraud or knowing that he or she is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement is guilty of insurance fraud.

Insurance fraud significantly increases the cost of health care. If you are aware of any false information submitted to Delta Dental, please call our toll-free hotline. Only anti-fraud calls can be accepted on this line.
