Students presently enrolled in the Michigan State University Insurance Plan are eligible to continue their coverage by enrolling in the Michigan State University Continuation Plan. This Continuation Plan is only available to insured students who lose their eligibility for the Michigan State University Student Health Insurance Plan through graduation or otherwise leaving school. This Plan will be available to terminating students and eligible dependents as long as they were enrolled in Michigan State University Student Health Insurance Plan for at least 6 consecutive months the previous academic term. Newborn children born after the termination date of the 2010-2011 Plan are not eligible for Continuation Coverage. Students eligible for the 2011-2012 Michigan State University Student Health Insurance Plan are not eligible to purchase this Continuation Option. **To enroll, complete the enrollment form and remit the appropriate premium within 14 days of the expiration date of your student coverage.** Coverage will be in effect the day after the termination date of your Michigan State University Student Health Insurance to insure continuous coverage. Application and premium received after the 14 days will not be accepted and premium will be refunded.

The maximum length of coverage under the Continuation Plan is 9 consecutive months. The period of coverage must be selected, and the total premium must be paid, at the time of enrollment. **The Michigan State University Student Health Insurance Policy is not renewable. However, you may re-enroll for the next policy year if you are eligible at that time. All enrollments are final. Once an application has been received, coverage cannot be cancelled and no refunds are available.** Once an election of coverage is made, a later application requesting an increase or a decrease of the initially elected coverage period will not be processed, even if received prior to the deadline.

DESCRIPTION OF BENEFITS

The Michigan State University Continuation Coverage is the same as the 2011-2012 Michigan State University Student Health Insurance Plan. Please see the Michigan State University Student Health Insurance Plan Brochure on-line at www.aetnastudenthealth.com/msudirect.htm for a description of benefits, definitions, limitations and exclusions of the Plan for 2011-2012. For a complete description, please refer to the Master Policy.

Payment will be made as allocated herein for Covered Medical Expenses incurred for each Accident or each Sickness while insured under the Plan, not to exceed an Aggregate Maximums of the 2011-2012 policy year.

The payment of the balance of any Copays, Deductibles, Coinsurance amounts, and any charges beyond the allowed Reasonable Charges and any medical expenses not covered are the responsibility of the Covered Person.

I have carefully read the Michigan State University Continuation Information and elect to enroll as indicated. I permit Michigan State University to provide Aetna Student Health with my enrollment status for purpose of eligibility under this Plan. I warrant that the information I have provided on this application form is true and I am aware that if I provide false information, my coverage and my dependent(s) coverage can be made void. I understand that if it is later determined that the student is not eligible; the premium will be refunded, unless a claim has been filed, but the premium is not refundable for reasons other than eligibility. I understand that I am under no obligation to purchase the Continuation Plan.
