## Jack Breslin Distinguished Staff Award

Nominations are now being sought for one of the most prestigious commendations bestowed upon employees at Michigan State University—the Jack Breslin Distinguished Staff Award.

The award is named in honor of Jack Breslin, who served Michigan State University as a student leader, honored athlete, top administrator and steadfast advocate. Jack was the personification of the “Spartan Spirit.” His strong and innovative leadership played a pivotal role in MSU’s growth and development as the nation’s premier land grant institution.

You now have the opportunity to nominate someone at MSU who exemplifies the qualities displayed by Jack Breslin, and whose attainment of excellence deserves this special recognition. Since 1978, 205 recipients have been honored. The 2012 recipients will receive a \$2,500 award and be recognized with a citation at a special reception in their honor.
