Custom Departmental Programs

Are you interested in boosting the skills of a group of employees or an entire unit? Contact Professional Development Services to discuss your needs and develop a plan specifically tailored to address the issues you identify. It could be a class that you have seen in our catalog or a specialized program/series that explores a number of issues. We can bring the program to your location or you can come to us, whatever works best! General learning areas include, but are not limited to:

- Performance Excellence
- Customer service
- Effective communication
- Conflict management
- Meeting management
- Supervisory or leadership skills
- Accountability issues

Contact Jennie Yelvington at jennie@hr.msu.edu or 517-884-3798 to discuss program needs, rates and timelines.

Supervisor Approval is Required for Classes

When you enroll in a class in EBS, your supervisor will receive an email notification from the system to approve your attendance in the class. The notification will also appear in their HR/Payroll Inbox. Please follow up with your supervisor to ensure that the approval has been completed in the system prior to the start of the program.

How do I find the list of classes I enrolled in?

1. Visit ebs.msu.edu and log in with your MSU NetID and password.
2. Select "My Career & Training."
3. Select "Courses For Employees at MSU."
4. In the "My Training Activities" section, view your current enrollments.
5. In the "My Learner Account" section, click "Training Activities” to view your current, completed and cancelled EBS courses. Please note that the list only includes programs since the EBS implementation.

(NEW!) COMMUNICATING AND INFLUENCING UP
Tuesday, March 7, 1:00 p.m. - 4:30 p.m. or Thursday, April 20, 1:00 p.m. - 4:30 p.m.

The ability to communicate well is arguably one of the most important business skills, yet so many of us haven’t been trained in HOW to best communicate with leaders, co-workers and stakeholders. In today’s fast-moving world, your ability to communicate can make or break your career! Effective communication occurs when the receiver clearly understands the information or idea that the sender transmits. The best communicators learn to convey ideas clearly and consistently to a variety of audiences, turning their communication skills into true power tools they can use to carve out career growth and personal successes. This session explores the fundamentals of effective communication, specifically focusing on using communication skills to influence others.

Presenter: Mitzi Taylor, Not So Basic Training

CORE COMPETENCIES FOR SUPERVISORS

Tuesday, March 7, 8:30 a.m. - noon or Thursday, April 20, 8:30 a.m. - noon

Frontline supervisors are a main determinant of overall performance, retention and morale in an organization. Several recent studies have shown that a leading cause of employee dissatisfaction and turnover is not due to compensation (as typically thought), but the relationship between the employee and their direct supervisor. In this session, we will explore how your role as supervisor adds value to the organization, how to successfully move from peer to supervisor and how to build communication skills, motivate and give effective feedback.

Presenter: Mitzi Taylor, Not So Basic Training
Investment: $150

ESSENTIALS OF EMPLOYEE RELATIONS

Wednesday, May 3, 8:30 a.m. - 4:30 p.m.

This course offers new and experienced supervisors a refresher from Employee Relations on topics such as setting expectations, performance management, what to do when you think you need to discipline an employee and your role as a contract administrator.

EVERYTHING DISC®: BEHAVIOR STYLES AT WORK
Wednesday, February 15, 8:30 a.m. - noon or Tuesday, May 9, 8:30 a.m. - noon

Have you ever wondered why some people just don’t get you? Or have you ever thought, “I cannot even begin to know what my boss needs—even when I ask, I am still not sure.” Most of us have felt that way at one time or another. The good news is there is a simple tool designed to help you understand yourself AND other people. Everything DISC® helps you build more effective working relationships based on an understanding of different behavioral styles.
Presenter: Kathie Elliott, MSU Human Resources

SUSTAINABLE HIGH PERFORMANCE
Tuesdays, March 14, 21, 28 and Tuesday, April 11, 1:00 p.m. - 4:30 p.m.

Performance excellence requires you to have significant emotional resiliency as you navigate the challenges inherent in your day-to-day work life. Taking the time to develop strong emotional wellness/work effectiveness skills will increase your capacity for calm, creative responses to a wide variety of problems. Increasing your psychological flexibility and learning to operate from a high quality state of mind will allow you to be a consistently high performing employee.
Presenter: Lisa Laughman, MSW, LMSW, Office of the University Physician and Karen Pace, MSU Extension
Investment: $25
(NEW!) QUALTRICS - THE NEXT LEVEL  
**Wednesday, March 15, 1:00 p.m. - 3:00 p.m.**

This session will build upon the Introduction to Qualtrics session and is designed to take advantage of the more powerful features that Qualtrics has to offer. This session will be held at an MSU computer lab to provide hands-on training. By the end of this class, you will have the ability to: use Display and Skip Logic, design question blocks and edit survey flow, understand piped text, add embedded data to your survey to reduce the number of questions or provide additional information and conduct advanced analyses of survey results.

FROM DISTRACTED TO PRODUCTIVE  
**Tuesday, March 28, 8:30 a.m. - noon**

Email. Interruptions. Project transitions. Office clutter. Social and other media. Text messages. Even family and friends. These seven “distractors” sometimes make it almost impossible to get anything done. It seems like there is always SOMETHING getting in the way of what you really need to do. But with some forethought and effective strategies, as well as some personal discipline, it is more than possible to find your focus, even in a hyper-distracted world. Learning “game plan” ideas for getting and keeping your distractors under control and finding critical “focused productivity” time each day, will lead not only to increased performance, but also to clarity of mind and purpose.

(NEW!) PRESENT TO CONVEY, CONVINCE & CAPTIVATE  
**Tuesday, May 2, 8:30 a.m. - noon**

When a skilled presenter delivers a presentation, whether in front of a room or around a conference table, it looks natural, confident and spontaneous. Yet, we have all sat through enough horrible presentations to know that presenting is anything but instinctive or merely common sense. This course will teach you how to prepare a presentation that will engage your audience, communicate your message and utilize the best tools to deliver that message. (Hint: It’s not always PowerPoint!) In the end, attendees will learn to make presentations like their career depends on it – and it does!

Change of Direction for MSU IT Training

The MSU IT Training team has transitioned from traditional classroom delivery of content to web-based delivery methods. This has been possible, in large part, by partnerships the university has formed with third party vendors (e.g., New Horizons, elevateU). We will continue to grow these areas more aggressively, specifically:

- Eliminating remaining instructor-led training by MSU IT training personnel.
- Increasing the number of training partners to refer people to for instructor-led training.
- Focusing the efforts of MSU IT Training personnel toward creating online training like the training at go.msu.edu/USS-training and coordinating any needed instructor-led training with other organizations.

Remaining instructor-led courses are posted in EBS. Click on “My Career and Training” and then click “Courses for Employees” to search the desired course term.

MSU Libraries Registration System Change

Registration for classes by MSU Libraries Distance Learning Services (DLS), such as D2L, Zoom and MediaSpace, will now be processed through the LibCal registration system.

Faculty and staff should register for DLS training online through the LibCal registration system instead of EBS. Phone registration is also available by calling 517-355-2345 or 800-500-1554.

1. Visit bookings.lib.msu.edu/calendar/events and find the desired event.
2. Log in/register with your MSU NetID and password.
3. Choose the appropriate registration status (Faculty or Staff).
4. Fill in your department or organization name.
5. Click “Register.”
6. “Success” displays at the bottom of the page once you’ve registered.
7. You will receive an email in your MSU inbox with the information for the event that you have registered for. This email also has a link to cancel should something come up and you cannot attend.
8. Be sure to record this event on your personal calendar.
9. You can either log out from this point or continue searching for other events.

MSU IT Email List

MSU IT offers a training email distribution list (listserv) you may subscribe to for schedules, announcements of new offerings and more.

To subscribe, send an email to listserv@list.msu.edu with the following in the body of the email:

SUBSCRIBE train FirstName LastName

(Please note: “FirstName” and “LastName” are placeholders for your own name.)

You will be sent a confirmation email and will need to reply according to the instructions given in the email. For questions, please call the MSU IT Service Desk at 517-432-6200 or toll free at 844-678-6200.

Benefits of Online Learning

- **Immediacy**
  - Get the help you need when you need it.
  - Obtain a comprehensive view of a particular topic or advance ahead to learn a particular task.

- **Adaptability**
  - Working at your own pace allows you to study at your own speed.
  - Study material using your preferred learning style, reviewing topic areas, and repeating exercises as often as you like.

- **Flexibility**
  - Pick the time and duration best for your schedule.
  - Whether it’s late at night for one hour or during the day for four hours, training is available for you.

- **Retention**
  - Studies show that engaging, interactive online training can increase retention to as much as 60% more over listening to instruction or reading alone.

- **Convenience**
  - You choose when it is best for you to learn and on what device.
  - Online training allows you to learn at work, at home, or even on the road.
NEW HORIZONS REGISTRATIONS
Michigan State University has been partnering with New Horizons for several years to provide a broad range of technical training, desktop applications, ITIL training and programming language courses for MSU employees. We have recently increased the number of courses provided by New Horizons to expand the amount and variety of courses.

New Horizons is less than 15 minutes away from our main campus, and we recommend that you get away from your office and attend the online class at New Horizons in Lansing, but you also have the option of taking the class from any other location with an Internet connection. Upon registration in the New Horizons portal, you will receive specific login information 2-3 days upon registration.

New Horizons Lansing Location:
1146 South Washington Ave. (corner of Washington Ave. & South Street)
Suite A-B
Lansing, MI 48910

New Horizons registrations no longer reside in the EBS Registration system. To utilize your EdAssist balance, if available, you must follow the process within the Educational Assistance system for noncredit courses, which includes an application, payment up front (departmental or personal) and then submitting the paperwork for the reimbursement. All courses must be paid for ahead of time. Utilize a department charge by selecting the credit card option for the payment method when registering for your class on the New Horizons portal.

Use the portal, nhls.com/msu to view and enroll in the New Horizons offerings.

To read more on the Educational Assistance Policy & Procedure, visit hr.msu.edu/prodev/edassist.htm

To Apply for Educational Assistance Funds
1. Log into edassist.hr.msu.edu.
2. In the Educational Assistance System, select “Apply” and then “Non Credit course.”
3. Complete the online application 30 days prior to the first day of class. This application will route to MSU HR after the electronic supervisor approval. The course description must be in a PDF file format.

Your supervisor will receive an email at their MSU email address from MSU Forms Tracking. The subject line will read “MSU HR Educational Assistance Notification – Please Review.” Your supervisor will click on the link provided in the email to approve it. They will need to click on “approve” and then on “confirm,” both steps must be followed for the application to be successfully approved. Upon supervisor approval, the application will route to HR for final approval. If approved by HR, the end user will receive an email confirmation. The employee is notified within 15 days, after receipt of application in MSU HR, if the request has been approved or denied.

4. Once you have received an email approval from MSU HR Educational Assistance, visit nhls.com/msu if enrolling for a New Horizons class using your EdAssist funds.

Spring 2017
5. Within 15 days of the end of the course, submit proof of successful course completion and proof of payment. If the department has paid for the cost of the course, the employee will provide a copy of the actual Pcard statement that would show the charge to the department. If the employee paid for the course, a receipt is still needed. Keep in mind that reimbursement may be delayed or denied if proper documentation is not submitted within the appropriate timelines.

6. To complete this final step, click “Search” in the Educational Assistance System and select the Course Title. Click “+Add” to the "Upload Transcripts" section and "Submit."

While New Horizons offers a free retake within six months of a class, there is no need to submit another application to take advantage of this offer. Simply call or email New Horizons to register for another date of the same session.

- If you need to cancel your registration, please cancel the application in the Educational Assistance system and notify New Horizons. Rescheduled courses will need a new application, and you will need to reschedule with New Horizons as well. You can reach out to New Horizons at 517-318-4026 or Ryan.Rinvelt@nhls.com. To cancel your EdAssist App, click "Check Status" in the Educational Assistance system. Select your course title and then click "Cancel Application."
- For further questions regarding the EdAssist Application, please contact Julie Rorick in Human Resources at 517-884-0177 or at rorick@msu.edu.

**Check your EdAssist Balance**

1. Log into edassist.hr.msu.edu.
2. In the Educational Assistance System, select "My Account" and then "EdAssist Balance."

The EdAssist Balance shows the current academic year Educational Assistance benefit balance for both credit and noncredit courses. Credits encumbered refers to applications filed but not yet completed.

Accessibility Training
Digital accessibility training is a great way to improve the accessibility of MSU content, to understand why accessibility is important and to get a better understanding of MSU's Web Accessibility Policy. Visit go.msu.edu/a11y-training for more information.

MSU IT offers a few options for accessibility training to colleges and departments, including Eliquo. Eliquo offers accessibility training in a live, online format. To register for one of these classes, complete the online request form. The form will be processed within 1-2 days and you will receive a response once the training team verifies the availability of the course requested.

List of courses available
Please visit the Eliquo class listing page for an up-to-date list of training classes.

Cost
Eliquo training is underwritten by MSU IT, so your final cost is only $74 per training day. You can pay for Eliquo training using Educational Assistance or by department charge.

Cancellation Policy
All cancellations must be made at least 10 days in advance, and any cancellations made less than 10 days in advance may be charged for the training. To cancel a training date, contact train@msu.edu.

Course Request Form
Complete the online request form to request an Eliquo training course.

Recommended Training Paths
The list below provides recommendations for Eliquo training and self-directed training options.

MSU IT can also provide customized accessibility training for groups within your college or your department on specific topics, or discuss why accessibility is important at MSU. To request a customized accessibility training, request a consultation.

SUPPORT STAFF EDUCATIONAL ASSISTANCE
Support staff employees with 12 full-time-equivalent service months at MSU are eligible for up to $800 per academic year for noncredit, job-related courses, such as those offered by PDS and MSU IT Training. Part-time employees are eligible on a proportional basis. Educational Assistance funds do not come out of your department's budget. To learn more, contact Julie Rorick at 517-884-0177 or rorick@hr.msu.edu.

CANCELLATION POLICIES
PDS classes: Once you are booked in a class, you are considered enrolled. There will be no charge if you cancel 5 working days before the class date. Incomplete approval workflow is not considered a cancellation. For additional details, please visit professionaldevelopment.hr.msu.edu.

MSU IT Training classes: Please call MSU IT Service Desk at 517-432-6200 or 844-678-6200 toll free as soon as you know that an enrollment must be cancelled.

CLASS LOCATIONS
PDS classes are held in Suite 10 of the Nisbet Building, unless otherwise indicated.

The majority of MSU IT Training classes will take place online; however, for those classes held in-person, locations are noted in the class listing.

SPECIAL ACCOMMODATIONS
For PDS classes, call 517-355-0183 at least 2 weeks prior to your class regarding special dietary or accommodation needs.

For MSU IT Training classes, email train@msu.edu.

CUSTOMIZED PROGRAMS
PDS can help you design your next unit retreat or professional development activity. For customized services, call Jennie Yelvington at 517-884-3798 or Christy Turner at 517-884-7399.

MSU IT Training can help with custom training, special sessions, online training and workshops. Contact the MSU IT Service Desk at 517-432-6200/toll free 844-678-6200 or complete the https://contact.cl.msu.edu/requests/request.php?service=training.
