HOW TO SIGN UP FOR A PROFESSIONAL DEVELOPMENT COURSE

Access the Courses for Employees at MSU system through the EBS Portal. After logging in to the EBS Portal, click on the My Career and Training tab. Then click on the Course for Employees at MSU tile. This will open up the Courses for Employees at MSU Training Home page. You can also visit the HR website for help with using the Courses for Employees at MSU training site.

How to sign up for a course via the Browse Current Courses link

1. On the Training Home page you will see Menu items in the left navigation. One of the options is Browse Current Courses – click on this link.
2. You have the option of looking at courses offered by Organization and Professional Development (OPD) or by MSU IT. Click on either link to see available courses.

7. Then select the method of payment from the options: Educational Assistance or Department Account. If Cash or Check is selected as the method of payment, please bring the payment with you on the day of the course.

The supervisor will have 14 days to approve the participation request, but the request must be approved no less than 2 days prior to the course start date. This means, if a request is made to participate in a course that starts in 7 days, the supervisor will only have 5 days to approve the course. **If approval is not**
received within 14 days of the request and/or 2 days before the course start date you will be automatically canceled out of the course.

12. In the Booking Summary in the left navigation (see previous image) on the course details page the status says “awaiting approval” and the names of the approvers (supervisor and delegates) are below. The approvers will receive an email with instructions on how to approve the course.
