MEMORANDUM

TO: MAU Fiscal Officers and HR Representatives

FROM: Sharon E. Butler, Associate Vice President for Human Resources

SUBJECT: Professional Raise Process - Salary Increases for APA, APSA and Nurses

MSU Human Resources is preparing to process the October 1, 2017, salary increases for Nurse, APA, APSA and Non-Union APA/APSA (Confidential or Off-Campus) employees. This memorandum provides important information about the annual salary increase program and outlines your role in the process. Merit Pay Guidelines and Frequently Asked Questions can also be found on the Human Resources website at https://www.hr.msu.edu/ua/recognition/support-staff/raise-process.html

EFFECTIVE DATE, ALLOCATION METHOD, AND ELIGIBILITY

The salary increase will be effective October 1, 2017. Funds will be calculated based on a 1.9% increase on the total salary base as of September 30, 2017, and will be made available for eligible employees who are Nurse, APA, APSA and Non-Union APA/APSA (Confidential or Off-Campus). For the APA, the 1.9% is separated into a 0.76% general increase and 1.14% merit increase. For APSA, it is separated into a 0.475% general increase and 1.425% merit increase. Non-union APA/APSA and Nurse staff are given a merit pool of an equal percent to the 1.9% union agreement.

The pay range minimum and Automatic Progression Level (APL) of each grade level will be increased by 1.9% effective on October 1, 2017.

SALARY RAISE LIST INSTRUCTIONS

Completion of Salary Raise Lists

The lists are available in the Cognos Planning Tool (raise model) as of September 5, 2017. Please note that the lists are based on the September 30, 2017 salary base, and that dual positions and control totals are reflected only on the primary department lists.

Note: Access to the Cognos Planning Tool can be granted via the MAU Security Administrator and an ARM form.

Merit Increase

Please review the Merit Pay Guidelines for detailed information on making merit pay allocations and communicating with employees. The merit amount you determine should be entered in the raise model. When no merit amount is given, please enter a zero. Control totals for the merit increase are available in the model and a running total will calculate as you enter amounts.

MAUs are to distribute the entire control total amount for each employee group within the
raise model, however, the control total should not be exceeded. Employee groups represented in the raise model are:

- APA Union
- APSA Union
- APA/APSA Non-Union
- Nurses

Optional Special Increase:
In the unusual event that you wish to provide a special salary increase beyond the contract total, you may do so here and it will be processed with the general and merit increase effective October 1, 2017. This increase should be funded by your department and is completely optional. Entering a special increase of any amount in the raise model will require a specific justification form to be completed and attached to the employee’s record within the raise model. The form requires signature from the employee’s direct supervisor and executive management. The form can be found at:

https://www.hr.msu.edu/ua/recognition/support-staff/documents/SpecialIncreasesSSEmps.pdf

Resulting Salary
After the raise amounts have been entered in the raise model, the New Base Salary field in the model is calculated by adding the “Annual Salary,” “Merit Increase,” and “Optional Special Increase.” If the final October 1, 2017 salary is below the minimum, Human Resources will automatically increase it to the minimum.

Please note that for those employees who have had salary adjustments or any other personnel change (e.g., terminations, new appointments and transfers) processed after August 31, 2017, these changes will not be reflected in the raise application. Human Resources will be in contact with you during the raise and after the raise closes to determine necessary adjustments on a case-by-case basis.

The following is the timeline for this raise process:
